

Aaqib Khan

Front End Developer & UI/UX Designer at Vialogic

As a React developer with over 3 years of expertise, I specialize in crafting dynamic user interfaces using React, React Native, Redux, Zustand, and ES6. With a strong focus on UI/UX design(4 years), I create intuitive and visually captivating interfaces, leveraging frameworks like Material UI, Bulma, Semantic UI, Tailwind CSS, and Chakra UI for optimal user experiences. Additionally, I bring 2 years of experience in WordPress development, excelling in theme customization and plugin recovery to deliver tailored solutions.
